**Bachelor of Science: Computer Science , Expected in 05/2027**

**SUNY Plattsburgh** - Plattsburgh, NY

- Minor in Mathematics
  - Dean's List (Fall 2022, Spring2023, Fall 2023)
  - 3.70 GPA
  - Awarded (International Education Scholarship- SUNY Plattsburgh)
  - Extracurricular Activities: Student Senator for SUNY Plattsburgh
- 

## EXPERIENCES

**Resident Assistant, 08/2023 to Current**

**SUNY Plattsburgh Housing And Residence Life - Plattsburgh, NY**

- Creating a positive and supportive community within the residence hall and ensuring the well-being of your fellow students. It requires strong leadership, communication, and problem-solving skills, along with a genuine desire to help others succeed and thrive in their college experience.

**Student Senator, 12/2022 to Current**

**SUNY Plattsburgh - Plattsburgh, NY**

- In my role as a Student Senator, I work tirelessly to champion student interests and collaborate with university administration, faculty, and staff to implement policies that enhance the student experience. I actively seek feedback from students, initiate projects, and advocate for initiatives that matter most to our campus community.
